

Definition of a True Lion

The man who is clean inside and outside, who neither looks up to the rich or down on the poor, who can lose without squealing and win without bragging, who is considerate of his brother and assists him in his struggle for success, who is too brave to lie, too generous to cheat and too sensible to loaf.

It is a poor species of humanity that does not desire to do some good that will live beyond the limit of his own life.

He that helps others helps himself.
